Election Motion #1 as amended:

MOTION ON DELEGATE ELECTIONS IN 2015

Adopted by the Elections Committee - 3/10/15

Approved as amended by the PNB - 5/7/15

Whereas, in September 2013, in an action that the Bylaws did not anticipate, the Pacifica National Board (PNB) passed a motion (Suppl. 1) postponing that year's delegate elections and

Whereas, the make-up "2013 Election" process is set to run from December 2014 to approximately July 2015, and notwithstanding that, by November 30, 2014, one less than the Bylaw-required number of affirmative PNB votes in order to announce a change to the original schedule for the "2015 Election" was received, and

Whereas, when the revised Pacifica Bylaws were adopted in 2003, establishing elected boards, there was universal agreement on the importance of instituting (in the words of Carol Spooner, chair of the Interim Pacifica National Board's Bylaws Revision Committee) "safeguards" to

prevent "open[ing] us up to takeover from the right by buying up memberships," one of which safeguards was "staggered elections...so that it would take time to gain a majority on any board,"

Resolved that:

1. The PNB finds that the need to hold staggered elections in order to avoid the turnover of the entire local board at all five stations in a single election is a greater, more fundamental issue than the delay in adjusting the schedule for any given election.

2. The Foundation shall hold Delegate elections in 2015 at each of its five stations, and, except at KPFK, the winners shall immediately upon certification of the results, replace those currently serving Delegates whose terms should have expired in December 2013, for terms ending in December 2016. And further, that the Foundation shall hold elections as soon as feasible after the 2015 election, and, except at KPFK, the winners shall, immediately upon certification of the results, replace the then-currently serving Delegates whose terms would ordinarily expire in December 2015.

At KPFK, the Foundation shall hold elections in 2015, where the top-ranked 9 listener-candidates and 3 staff-candidates shall be seated in December 2015 and serve a 3-year term until December 2018, and the second batch of 9 listener-candidates and 3 staff-candidates shall be seated in December 2015 and serve a 1-year term until December 2016. And further, that at KPFK in 2016, the Foundation will hold elections for 9 listener and 3 staff seats for a 3-year term of December 2016 to December 2019.

B. VOTING AND APPROVAL

(2) In order for new Bylaws to be adopted, or these Bylaws amended or repealed and subject to Section 1(B)(3) below:

(i) except as provided in Section 1(B)(3) below, the proposed amendment(s) must be approved by the majority of all Directors on the Board and by the majority vote of all the Delegates of at least three of the Foundation radio stations.. The Delegates shall vote on the proposed amendment(s) within the 60 day period beginning with the voting date of the PNB.

APPENDIX C:

PROPOSED BYLAWS AMENDMENT CONCERNING IN-PERSON MEETINGS OF THE PACIFICA NATIONAL BOARD

Six Directors of the Pacifica National Board have proposed an amendment to Article Six, Section 1 of the Pacifica Bylaws. The amendment intends to allow greater flexibility and latitude to the Board in keeping with the needs and realities of the Pacifica Foundation in any given year. Financial constraints and weather events are among the considerations the board may factor into their yearly scheduling of in-person meetings. The amendment allows for a range of between one to four meetings per calendar year. It also removes the specificity of naming the months in which in-person meetings are held, beyond that of the "Annual Meeting" in late January.

Existing Bylaws language:

Article Six, Meetings of the Board of Directors, Section 1: Time and Place of Meetings

The "Annual Meeting" of the Board of Directors shall take place in late January each year, or at such other times and places as agreed by a majority vote of the Board of Directors. The Board shall also regularly meet in March, June and September of each year. The four regular Board meetings shall rotate through the five Foundation radio station areas so that meetings do not take place twice in the same radio station area until a meeting has been held in all other station areas.

CHANGES TO LANGUAGE: DELETED LANGUAGE IN BRACKETS, ADDED LANGUAGE IN CAPS

Article Six, Meetings of the Board of Directors, Section 1: Time and Place of Meetings

The "Annual Meeting" of the Board of Directors shall take place in late January each year, or at such other times and places as agreed by a majority vote of the Board of Directors. The Board shall {also} {regularly} meet {in March, June and September of} ONE TO FOUR TIMES each calendar year AS AGREED BY A MAJORITY VOTE OF THE BOARD OF DIRECTORS. The ONE TO four IN- PERSON regular Board meetings shall rotate through the five Foundation radio station areas so that meetings do not take place twice in the same radio station area until a meeting has been held in all other station areas.

The revised language would then read:

Article Six, Meetings of the Board of Directors, Section 1: Time and

Place of Meetings

The in-person "Annual Meeting" of the Board of Directors shall take place in late January each year, or at such other times and places as agreed by a majority vote of the Board of Directors. The Board shall meet in person one to four times each calendar year as agreed by a majority vote of the Board of Directors. The one to four in-person regular Board meetings shall rotate through the five Foundation radio station areas so that meetings do not take place twice in the same radio station area until a meeting has been held in all other station areas.

Bylaws amendment proposed by the following Pacifica National Board Directors:

Lydia Brazon

Benito Diaz

Jose Luis Fuentes

Brenda Medina

Brian Edwards-Tiekert

Election Committee Report

Urgent Elections Comm. motions for PNB action

Bob Lederer <ledererbob@usa.net>

Mon, May 4, 2015 at 4:18 PM

To: pnb@pacifica.org

Dear PNB,

The PNB Elections Committee has passed two urgent motions that we are sending you for consideration as soon as possible:

1) Motion on Delegate Elections in 2015

(this is particularly time-sensitive, as the National Election Supervisor will be opening Delegate nominations on June 15)

The history of this motion is as follows:

- On Jan. 13 (during the first of 3 joint Elections/Governance Committee meetings), the Elections Committee passed a conceptual motion calling for the election of 12 delegates at each station for a 3-year term in 2015. The vote was 9-3.
- On March 3, the Governance Committee - in the second joint Elections/Gov. meeting - passed a more detailed motion (for a 12-seat election in both 2015 and 2016) by 6-2-2.
- On March 10, the Elections Committee - in the third joint Elections/Gov. meeting - passed an almost identical motion (only adding another "whereas" clause) by 9-1-0. Full text of motion and supplementary information below.
- Both motions call for delegates elected this year to be seated in December.

2) Motion on Election Cost-Cutting: Bulk-Rate Mailing of Election Materials & Shortened Candidate Statement Booklets

The committee is recommending saving considerable funds by: 1) sending the ballots via bulk-rate postage rather than first class, and 2) only sending the 200-word printed versions of the candidates' statements (as was done in the last election), making the 500-word versions available both online and by mail to those voters who call to request a printed version.

Attached are tables prepared by the National Election Supervisor (NES), Joy Williams, containing two cost comparisons:

- first-class postage vs. bulk-rate postage, and
- two options for voter mailings -
 - the one recommended by the Committee: one mailing including the ballot (with information on how to vote electronically for those who choose to do so), booklet with 200-word candidate statements, a fundraising appeal letter, and outer and return envelopes

OR

- the one that the NES recommends: two large postcards, one following the confirmation of candidates, containing information on how to vote online or request a printed ballot and candidate statements; the other, once balloting is open, containing a unique voter code for online voting.

As per the PNB's 2013 mandate to include an electronic balloting component in the election, along with the paper ballot (the latter is required by the by-laws), the NES has solicited offers from numerous companies to provide this service. **She will present her recommendation on e-balloting to the Elections Committee at our next meeting on Monday, May 11** in executive session (because of the confidential commercial nature of the offers).

Respectfully submitted,
Bob Lederer
Chair, PNB Elections Committee

APPENDIX F:

Election Committee Motion #1

MOTION ON DELEGATE ELECTIONS IN 2015

Adopted by the Elections Committee - 3/10/15

Whereas, in September 2013, in an action that the Bylaws did not anticipate, the Pacifica National Board (PNB) passed a motion (Suppl. 1) postponing that year's delegate elections and

Whereas, the make-up "2013 Election" process is set to run from December 2014 to approximately July 2015, and notwithstanding that, by November 30, 2014, one less than the Bylaw-required number of affirmative PNB votes in order to announce a change to the original schedule for the "2015 Election" was received, and

Whereas, when the revised Pacifica Bylaws were adopted in 2003, establishing elected boards, there was universal agreement on the importance of instituting (in the words of Carol Spooner, chair of the Interim Pacifica National Board's Bylaws Revision Committee) "safeguards" to prevent "open[ing] us up to takeover from the right by buying up memberships," one of which safeguards was "staggered elections...so that it would take time to gain a majority on any board,"

Resolved that:

1. The PNB finds that the need to hold staggered elections in order to avoid the turnover of the entire local board at all five stations in a single election is a greater, more fundamental issue than the delay in adjusting the schedule for any given election.
2. The Foundation shall hold Delegate elections in 2015 at each of its five stations, and, except at KPFK, the winners shall, in December 2015, replace those currently serving Delegates whose terms should have expired in December 2013. And further, that the Foundation shall hold elections in 2016, and, except at KPFK, the winners shall, in December 2016, replace the then-currently serving Delegates whose terms would ordinarily expire in December 2015.

At KPFK, the Foundation shall hold elections in 2015, where the top-ranked 9 listener-candidates and 3 staff-candidates shall be seated in December 2015 and serve a 3-year term until December 2018, and the second batch of 9 listener-candidates and 3 staff-candidates shall be seated in December 2015 and serve a 1-year term until December 2016. And further, that at KPFK in 2016, the Foundation will hold elections for 9 listener and 3 staff seats for a 3-year term of December 2016 to December 2019.

Supplementary Information (not part of the motion itself)

Delegates' elections will be back on the bylaw-set schedule by 2018, as below:

APPENDIX G:

Election Committee Motion #2

**Motion on Election Cost-Cutting:
Bulk-Rate Mailing of Election Materials & Shortened Candidate
Statement Booklets**

Adopted by the Elections Committee - 4/27/15

Whereas, Pacifica continues to be in severe financial crisis, and

Whereas, the National Election Supervisor has recommended that the election materials for the upcoming election be sent to voters via bulk-rate mail, which she estimates would save approximately \$17,000, along with a business reply envelope to make it easy for voters to return their ballot and contribution to offset costs, and

Whereas, the National Election Supervisor has issued an election timeline that includes the option of a ten-day extension of the period for ballot mailing and return (from 45 to 55 days) if bulk-rate mailing is decided, to ensure that all voters have adequate time to receive and return their ballots,

Resolved, that the Elections Committee recommends that the Pacifica National Board approve bulk-rate mailing of initial election materials to voters.

Further, the Elections Committee recommends that abbreviated candidate statements of up to 200 words be printed on the least expensive paper and included in the paper packet sent to all members. The packet will also include:

- a) notice that the full 500-word statements and questionnaire answers are available online, and
- b) instructions for members who want the full 500-word statements to request a mailing of the full-length printed booklet via a toll-free number or an email address.

In addition, each station will make announcements on their airwaves and websites, drafted by the National Election Supervisor, explaining the availability of full-length printed booklets.
