#### APPENDIX C - Report of the Management Review and Evaluation Committee

##### **Report of Management Review Committee:**

##### **Sherna Gluck, acting convener**

At the October LSB meeting, the MRC reported that we had considered several alternatives for completing the 2004 PD evaluation. In an effort to expedite the completion of this review so that we can move forward on the 2005 evaluation, the MRC recommended that the 2004 evaluation forms be sent only to the 2004 LSB members. No formal vote was taken on this recommendation, but Jan Goodman introduced a motion that implied an endorsement of the MRC recommendation.

1. To move the process forward as quickly as possible and get out the PD evaluation forms right after the holidays, we need an affirmation of our proposal that the evaluation forms for PD for 2004 will be sent only to LSB members.
2. We are calling for a reconsideration of the Goodman motion that the staff responses be separated out in the analysis. It would expose the staff, undermine the anonymity of their responses and is not supported by a staff member of the MRC.

APPENDIX D - Report of the Programming Oversight Committee

**Report of Programming Oversight Committee:  
Sherna Gluck, convener**

Growing out of discussions with the iPC about their proposals for a permanent Program Council, the PrOC approved the following two motions. We view these as a start and will continue to hold joint meetings to further develop proposals re responsibilities, composition, tenure, and election process for a permanent Program Council.

1. Tenure of iPC

The PrOC recommends that the tenure of the iPC continue until the completion of the next LSB election cycle (October, 2006).

2. Relationship of Program Council to Station Management and Governance

The PrOC recommends adoption of the iPC proposal, as follows:

A). The Program Council (PC) will be an elected committee advisory to the station management, working closely with the Program Director.

B) The Local Station Board (LSB) oversees management and reviews Mission fulfillment and fairness of decision making in programming, and thus LSB oversight would extend to the PC.

C) The PC shall operate in conjunction with management, incorporating into local programming policies and recommendations the Pacifica Mission Statement, the recommendations of the Community Advisory Board (which would conduct community needs assessments), the reports from the Committee of Inclusion, and the Pacifica Race and Nationality Policy.

APPENDIX E - Report of the Governance Committee

**KPFK LSB Governance Committee  
Report for LSB Meeting 12/17/05**

From Governance Committee meeting, Dec. 7, 2005

Attendees: Grace Aaron, Lydia Brazon, Israel Feuer, Jack VanAken, Roger Zimmerman

Agenda 1 - Bill Gallegos' resignation from the PRoC

Jack VanAken resigned from the PRoC which, therefore, brings that committee back to balance

Next Governance Committee Meeting, Wed., Jan. 11, 2005 at 9 PM Meeting

Ethics working Group at 8 PM and Bylaws Working Group at 7Pm

Ethics Working Group

We all volunteer to be in this Working Group. This working group will meet on the same day as the Gov. Committee Meeting at 8 pm. Lydia suggests that we all think about local ethicists who may want to be in this working group.

Director/Alternate situation

MOTION: Resolved that at the time of the election of directors that the next highest vote getter for each class be designated as the alternate for that class in the event of a vacancy. Said alternate would complete the un-expired term. In the case of subsequent vacancies new elections would be held.

MOTION PASSES: Yes: 3, N: 1, A: 1

**By-Laws Working Group Meeting was held Dec. 7, 2005**

Attendees: Grace Aaron, Lydia Brazon, Jack VanAken, Roger Zimmerman, Israel Feuer arrives later

Agenda 1. Update on By-Laws Amendment and its passage by the PNB 2. Recap the succession for PNB

Reps issue and revisit question of alternates 3. Biographical sketches required of LSB candidates

Proposed Bylaws Amendment passed by the PNB failed to pass at the needed 3 LSBs although it won by a majority of those LSB members present at two of three LSBs that we know of, the bylaws stipulates that a majority of ALL members is required NOT simply those in attendance. Therefore, the Working Group recommends a By-Laws amendment to allow voting by written ballot on by-laws amendments on both the LSB and PNB level. Further, that the ballots are signed and dated and made public as one would for a roll

call vote, and that the results be announced as well as the individual votes at the next open LSB or PNB meeting. All members of the working group agree with the above 2 amendments.

#### **BYLAWS WORKING GROUP REPORT for 12/17/05 LSB MTG.**

This working group agrees advocate for the following: By-Laws amendment to change 'calendar month' to '30 days' after the PNB passes a bylaws amendment for the LSBs to vote on the amendment.

Agenda Item 2. Recap the succession for PNB Reps issue and revisit question of alternates We agree that there should be a By-Laws change for clarification re: how to handle replacing a Director who resigns/Delegate who resigns. We note that the by-laws currently do not state how this should be done aside from stating that it should be done 'immediately'. Table this item to the next meeting.

Agenda Item 3. Biographical sketches required of LSB candidates Israel feels that the by-laws should state that an election booklet should be created to delineate election policy. Lydia suggests that something should be inserted into the by-laws that requires that candidates for LSBs submit a biographical outline/resume that would be included in the booklet that goes out to members along with the candidate statement. Grace suggests that there be a by-laws amendment that specifically states what should be in a biographical outline that might include: education level, specific skills, job history, organization history that would show skills related to LSB duties, etc. Lydia, Israel and others feel that specific wording would make the amendment too difficult to pass. Table this until exact wording can be worked out. Work out schedule for next year's governance and by-laws working group meetings:
